HUNGARY HELPS

HOMES

1. Put the words in categories:

cosy, right in the city center, pool, beautiful garden, nice neighbours, in the country side, two bathrooms, spacious terrace, near the sea, in the mountains, modern, with a nice view, a walking distance from some shops and other services, a 10-minute drive from the centre, spacious, high-tech, remote controls, traditional, fireplace, central heating, small, dishwasher

description, appearance	traditional
location	in the country side
amenities	
size	

2. Types of homes. Match the definitions:

detached house	One of a row of houses that are joined together
terraced house	A building that consists of many flats
farm	A small house in a village
block of flats	A small homemade of natural materials (logs, grass...)
mansion	A house that is joined to another house
cottage	A single house not connected to any buildings
semi-detached house	A large, impressive house
hut	A house in the country

HUNGARY HELPS

3. What are the advantages and the disadvantages of living in these homes?

As I see...	If you ask me...
As far as I'm concerned...	The greatest (dis)advantage is...
In my opinion...	For this reason, ...

4. Ask your classmates. What aspects are important for them when buying their dream homes? What are the most popular aspects? Ask why these features are the most important for them.

ASPECT	NUMBER OF PEOPLE (TICKS)	REASONS
central location		
price		
spacious		
traditional		
big garden		
pool		
gym		
in the country		
neighbourhoods		

5. What is your dream home like? Why?

6. How is it different to live in these homes? Describe the pictures, compare and contrast the way you and these children live:

HUNGARY HELPS

Children in Congo	Me
	We have a kitchen and a fridge to store the food
	I have a comfortable bed which I don't share with anybody
They have mosquito nets to avoid insects which cause deadly infections
