

# LANDSCAPE

## 1. which adjectives can describe these places?

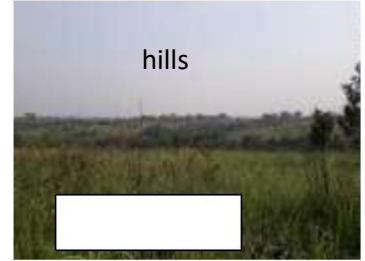

(source: "Mindannyian Testvérek" képgyűjtemény)

meadow with some trees

- WET
- DUSTY
- OLD
- HOT
- DENSE
- LOW
- DRY

hills

palm trees

cultivated land

the school building

the orphanage

rainforest

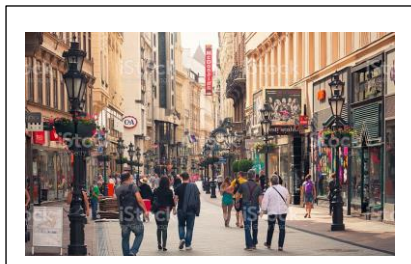

spring

hut

**2. What adjectives can you use to describe where you live? Think of your home, car, school... (source: iStockphoto)**

**3. Connect the opposites:**

clean	1. noisy
quiet	2. empty
slow	3. dry
crowded, dense	4. dirty, polluted
wet	5. new, modern
old	6. bad
good	7. fast

**4. Compare the two villages. One is in Congo, the other one is in Hungary. Use comparative sentences when you can.**

source: shutterstock

crowded
close to nature
boring
hot, cold
well-equipped
close to shops
a lot of services
slow
running water, heating...
kitchen, bathroom

*Congolese villages are not crowded at all. They are **hotter than** Hungarian villages. Hungarian villages are **better-equipped**. As I see living in a Congolese village is **as boring as***
